

Named Gift Opportunities

You are invited to consider a naming opportunity within the new Children's Home + Aid Schaumburg Child + Family Center. Many opportunities exist to honor an individual, family, corporations or foundations supporting the Center. You may also choose to underwrite programmatic investments for on-going development, or contribute endowment dollars to ensure that Children's Home + Aid is able to serve future generations of Schaumburg children. If preferred, gifts may be made over a three to five year period.
