

AGENCY OVERVIEW

All children deserve a good home, a place that grounds them in a secure and loving present and gives them the confidence to make their own future. Whatever their age, whatever their circumstances, they need someone they can count on to be there, day after day, to care for them, teach them, guide them, and protect them from harm until they are grown.

Twenty-four hours a day, 365 days a year, in communities all across Illinois, we give children a place to belong and the support they need to love, to learn, to heal, to dream, and to reach their potential. *We do whatever it takes to put children on the path to a better life and keep them there.*
