Now Enrolling Stronger Beginnings for Families

Stronger Beginnings for Families home visiting provides coaching to expectant parents and families with young children. Services are **FREE**, voluntary, and provide a strong foundation for children and families during the critical early years. Home Visits occur in person or virtually.

Who is eligible for Stronger Beginning for Families-Home Visiting?

- Expectant parents
- Families with a child birth to 36 months of age
- Families residing in Madison, Monroe, Randolph, or St. Clair counties

Benefits of participating in Home Visiting:

- Support and guidance during and after pregnancy
- Improved child health and family well-being
- Nurture positive parenting and skill development
- Monitoring developmental milestones and school readiness
- Family economic self-sufficiency
- Connections to resources and family support programs
- Family to Family social opportunities

Partnerships with the following School Districts:

Belleville 118 | Cahokia | Chester | Collinsville | Columbia | Dupo | Edwardsville | Freeburg | Highland
